

Waves of Fun ADVENTURE

LAB HANDS-ON FUN AND LEARNING FOR ALL SCHOOL-AGE YOUTH

Adventure Lab is a free, two-hour experience focused on challenging youth to think critically and creatively during energizing activities. Adventure Lab makes science engaging and meaningful in the lives of young people.

Waves of Fun will provide awesome water activities while youth think like environmental scientists. Come practice teamwork with friends while making a splash!

July 12

9:00 - 11:00 AM

Cawker City, KS

City Park

One block north of U.S. Highway 24 on Lake Dr.

Registration appreciated at bit.ly/WavesOfFunAdventureLab

K-STATE
Research and Extension

Post Rock
District

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact (Tonia Underwood) two weeks prior to the start of the event at (785-378-3174 or tiunderw@ksu.edu). Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

Kansas State University Agricultural Experiment Station and Cooperative Extension Service

K-State Research and Extension is an equal opportunity provider and employer.
